

**PICES CCCC**  
**MODEL Task Team Meeting Agenda**  
**(H. Wei & T. Wainwright, co-Chairs)**

*Sunday, October 26, 2008*

*09:00 – 12:30*

1. Welcome and introduction of members. (*T. Wainwright and H. Wei*)
2. Review of agenda and inclusion of new items as needed. (*T. Wainwright and H. Wei*)
3. Review of MODEL accomplishments after PICES 16.
  - a. Update on U.S. GLOBEC pan-regional synthesis (*H. Batchelder*)
  - b. Update on U.S. CAMEO programs (*E. Curchister*)
  - c. Update on ESSAS activities (*B. Megrey*)
  - d. Status of NOAA project “Software framework for integrating marine ecosystem models” (*T. Wainwright*)
  - e. Report on “Marine Ecosystem Model Inter-Comparisons” project and workshop (W5) (*B. Megrey*)
  - f. Report on “PICES International Summer School on Ecosystem Based Management” held in Hakodate, August 2008 (*M. Kishi and S. Ito*)
  - g. Brief preview/review of workshops and theme sessions at PICES 17  
W4–“Climate scenarios for ecosystem modeling (II)” (*Y. Yamanaka*)  
S7–“Marine System Forecast Models: moving forward to the FUTURE” (*T. Wainwright*)
4. Discussion of MODEL final report (*T. Wainwright*)
5. Discussion of PICES FUTURE Program implementation (*H. Wei and T. Wainwright*)

The draft implementation plan is available on the PICES web site at:  
[http://www.pices.int/members/scientific\\_programs/FUTURE/FUTURE-ImplementationDraft8Oct09.pdf](http://www.pices.int/members/scientific_programs/FUTURE/FUTURE-ImplementationDraft8Oct09.pdf)

  - a. General discussion of the implementation plan
  - b. PICES 18 (Oct. 23 - Nov. 1, 2009, Jeju) - proposals for Topic Sessions & Symposia
  - c. Proposals for FUTURE inter-sessional workshops and scientific work
6. Requests for travel to future meetings
7. Announcements
  - a. CREAMS/PICES Summer School on “Satellite Oceanography” (Busan, August 2009)
  - b. Third GLOBEC Open Science Meeting (Victoria, June 2009) (*M. Barange*)
8. Adjournment
