

HAB Section Meeting

AGENDA

Saturday, October 18, 2011

09:00 – 18:00

TENTATIVE AGENDA

Saturday, October 18, 2014 09:00-18:00

09:00-09:15 Shigeru Itakura and **Vera Trainer**
Welcome, goals of HAB Section meeting

Country Reports (2011-12) and HAE-DAT (year 2007) reports

09:15-09:30 **Korea** (Changkyu Lee)

09:30-09:45 **U.S.A.** (Vera L. Trainer)

09:45-10:00 **Japan** (Shigeru Itakura)

10:00-10:15 **China** (China representative)

10:15-10:30 **Canada** (Charles Trick)

10:30-11:00 *Tea/Coffee Break*

11:00-11:15 **Russia** (Tatiana Orlova)

11:15-11:45 **Md. Nazrul Islam** Integrating numerical results with IMPACT model for mitigating harmful algae toxins in Japanese Laken

11:45-12:15 **Tatiana Orlova** Harmful algal blooms on the Russian east coast and their possible economic impacts

12:15-12:30 **Charles Trick and Vera Trainer** Update on MAFF project, Marine Ecosystem Health and Human Well Being

12:30-14:00 Lunch

14:00-14:15 **Mark Wells** - Report on joint publication on HABs and Climate, IOC/IPHAB Global HAB report (IOC Project office for IODE to add to discussion if possible)

14:15-14:30 **Mark Wells** – Possible joint ICES/PICES/GEOHAB symposium on HABs and Climate Change in Sweden, May 2015

14:30-14:45 **Henrik Enevoldsen & Vera Trainer** - The joint Harmful Algal Bloom Programme and International Oceanographic Data and Information Exchange Harmful Algae Information System: An update and country maps

14:45-15:00 **Vera Trainer** - IOC/IPHAB Global HAB report – contribution by PICES member nations

15:00– 16:00 Discussion of workshop proposal, part II, Contrasting conditions for success of selected harmful algal species in the western and eastern Pacific - a comparative ecosystem approach

15:30-16:00 Tea/Coffee Break

16:00-16:30 Workshop proposal, part II, Contrasting conditions for success of selected harmful algal species in the western and eastern Pacific - a comparative ecosystem approach

16:30-17:00 Quick exchange of new findings, significant publications from each country

17:00-18:00 Discussion of Proposals for the Future and Review of assignments
