

Agenda of FUTURE Mini-Symposium

Date: 18 Oct 2015

Time: 09:00-12:15

Venue: FR24/25

On Sunday October 18, 9:00-12:15, a FUTURE Mini-Symposium will be held to review the progress and discuss future activities of the FUTURE science program. The FUTURE SSC will provide an overview of its new organizational structure, and each of the ExGs will briefly review recent accomplishments and planned activities in support of the FUTURE science program. The PICES community is encouraged to attend the Mini-Symposium and provide input on the priorities and direction of the program

09:00 The next step of FUTURE (S. Bograd or H. Saito)
